

Painter and artist

Michel DEGAV

INVITATION TO HIS ATELIER - ART GALLERY

"Village aux coquelicots" - 92 x 73 cm

Michel DEGAV studio. Michel Degav and his wife Anna welcome you to the heart of St Paul de Vence at their friendly gallery. This painter expresses spontaneity and a variety of inspiration in his work in a fairy-like atmosphere of reflection of light on water, trees, flowers, old stones, ships, etc. Michel Degav magnifies the vital force of beings and things in their natural setting. He lovingly expresses their essence and mystery. With sincerity and the power of the feelings he projects onto his work, he moves us by touching our own sensibility. Out of the ordinary but with a communicative joy, a flow of light and colours which transports us to the three-dimensional fairy-like world created by this artist's strong temperament.
